

**Do you avoid the health care system whenever you can?**

**Are you often responsible for educating your health care providers?**

**Have you felt mistreated or alienated in the health care system?**

**Do you wish**

# The Transgender Health Initiative of New York

is a community-based group working to ensure that all transgender and gender-different people can access health care in a safe, respectful, and nondiscriminatory manner.

## **With your help we can:**

- Empower community members to advocate for their needs and the needs of other trans people in the health care system.
- Collaborate with health care providers to improve transgender access to health care.
- Advocate with government officials and agencies about transgender health concerns.
- Educate the transgender community about important health care issues.

# Get Involved!

- Join our mailing list.
